

**NOTICE TO MEMBERS OF THE CLASS ACTION INSTITUTED BY STEPHANE VERMETTE AND THE
AUTOMOBILE PROTECTION ASSOCIATION AGAINST GENERAL MOTORS OF CANADA COMPANY
(Superior Court No. 500-06-000261-046)**

The above-mentioned class action was authorized by the Court of Appeal on September 26, 2008 with respect to the following class:

"All physical persons residing in Quebec and all legal persons established for a private interest, companies or associations residing in Quebec and counting, at all times during the 12 months preceding the instant application for authorization, under their management or control, at most 50 persons bound to them by an employment contract, who purchased or rented a 1997 to 2004 Chevrolet Venture model, or a 1997 to 2004 Pontiac Trans Sport/Montana model, or a 1998 to 2004 Oldsmobile Silhouette model, which are or have been the object of rust or paint chipping."

However, be advised that the Superior Court, on November 22, 2016, authorized Plaintiffs to discontinue said class action. By reason of the discontinuance authorized by the Superior Court on November 22, 2016, the suspensive effects of Article 2908 of the Civil Code of Quebec have ceased and prescription has started to run again. Please take this change into account if you wish to institute individual court proceedings against the Defendant General Motors of Canada Company concerning the corrosion and/or paint chipping problems on the Chevrolet Venture model of the years 1997-2004, the Pontiac Trans Sport or Montana model of the years 1997-2004 or the Oldsmobile Silhouette model of the years 1998-2004, which has had or is having;
